Office Memorandum • UNITED STATES GOVERNMENT

TO : Asst. Director for Operations _____ DATE: MAR 23 1948
Asst. Director for Reports and Estimates
FROM : Executive Director

SUBJECT: Project 00-20

1. This office has been informed that no action has been taken to implement the project for a complete bibliography of current Soviet periodicals, responsibility for which was charged to the Office of Operations by the action of the Projects Review Committee in Project 00-20 which was approved by the Director on 23 December 1947, and published to your Offices by memorandum dated 26 December 1947.

25X1A 2. By memorandum dated 30 January 1948, subject as above, signed 25X1A by the Assistant Director for Operations, concurred in by [redacted] [redacted] of ORE and [redacted] of OCD, the statement was made that the Foreign Documents Branch, Office of Operations, should be able to undertake this additional responsibility on a continuing basis 25X1A and that the project could be assigned a high priority to allow FDB to keep the material up to date.

3. In view of the fact that your offices have been apparently waiting for further instructions prior to implementing this project, it is desired that immediate action be taken to put into effect the approved action of the Projects Review Committee on Project 00-20 dated 26 December 1947, and that a statement of requirements be provided the Office of Operations by the Office of Reports and Estimates at the earliest possible date as a basis for the preparation of the bibliography in question.
